Gadd is a legend. sure some of the stuff he did was boring but he stays in the groove. that is the most important thing besides keeping time as a drummer. and of course vinnie's my all time favorite. weckls a technique god.

I think vinnie was the best here in my opinion. But steve gadd was awesome too. He kept the whole thing together. UGH! I cant decide who wins this one!

Sure they are very fine drummers, but do I find this an exciting clip. No. Too much technique. A bit boring as a matter of fact.

 gadd cant keep on with colaiuta and weckl in the solos in my opinion. His parts are quite boring i think.

 everyone drummer i meet asks me the same question.."dude have you seen the gadd, weckl and colaiuta video?!?! i honestly find that this isn't any of the drummers best playing around, even if it is three way ordeal. colaiuta and weckl take a trip through chops city and gadd is the only one who keeps his shit together. im sure i'll get 150 disagreements for this...."
